

# ATN AUXILIARY BALLISTIC LASER

## ATN AUXILIARY BALLISTIC LASER

Combining the Precision of a Laser Rangefinder with your Smart HD scopes onboard Ballistic Calculator. Make every shot count!

Designed to withstand the pressures of High Caliber weapons. The ABL is built out of Hardened Aluminium Alloy with Impact Resistant Electronics.

Activate all the controls via your Smart Sight. No need for additional buttons to reach for in a critical situation.

Just press One Button. Take the reading to your target and the scope will instantaneously adjust your POI to match the distance.
